COMPANY PROFILE

Nabina Hardware was incorporated in 2004, as a trading company with a single minded commitment to provide excellent products to its customers. It continuously diversifies its product range according to customer needs, now with more than 400 items, proving to be the best solution you are looking for.

Our company is well known in domestic and abroad market for its Best Quality, Perfect Management, Good Faith, Quick Delivery and good after Sales Service.

MISSION & VISION

Nabina Hardware is looking towards spreading its exposure armed with quality products and matched by competitive pricing. The company is expanding its product range with regular addition of new products to meet the market demands. The company also wants to expand to new territories and market to be a total global company.

OUR EXCELLENCE

We have set bench marks with steady and solid growth applying transparency. We not only believe in a long list of clients but we also believe in strong business relationship with our clients. We believe in "Never forget our esteemed clients nor give them a chance to forget us".
